

EAL Purpose Statement:

Qualification Title:	600/1764/8 EAL Level 3 NVQ Extended Diploma in Marine Engineering (QCF)
Qualification Overview:	<p>This qualification involves the skills and knowledge needed for occupations in marine engineering including the ability to organise work and identify and prevent problems. NVQs are based on national occupational standards, which the learner must meet to be competent in a particular task. The achievement of NVQs will encourage an employee to value their contribution to the workplace, and it will develop their skills and potential within the marine engineering field</p> <p>What does this qualification cover? The skills and knowledge in one or more of a wide variety of marine engineering activities including:</p> <ul style="list-style-type: none"> • marine engineer • electrical maintenance engineer • mechanical installations engineer • mechanical testing engineer • mechanical maintenance engineer • welding operative • electromechanical installer • It is accredited by Ofqual at QCF Level three. <p>Who could take this qualification? OR who is this qualification designed for? On completion of this qualification it can:</p> <ul style="list-style-type: none"> • form part of an apprenticeship framework at Level 3 • provide a base for other Level 3 qualifications • progression to a range of Level 4 qualifications • progression into employment <p>It is suitable for learners aged:</p> <ul style="list-style-type: none"> • 16-18 • 19+
What could this qualification lead to?	<p>Typical job roles include: marine engineer, electrical maintenance engineer, mechanical installations engineer, mechanical testing engineer, mechanical maintenance engineer, welding operative, electromechanical installer</p> <p>This qualification relates to the following EAL qualifications:</p> <ul style="list-style-type: none"> • EAL qualifications in Functional Skills and Essential Skills Wales • EAL Level 3 NVQ Diploma in Fabrication and Welding (QCF) • EAL Level 3 NVQ Extended Diploma in Engineering Leadership (QCF) • EAL Level 3 NVQ Diploma in Engineering Maintenance (QCF) • EAL Level 3 NVQ Diploma in Installation and Commissioning (QCF) • EAL Level 3 NVQ Diploma in Mechanical Manufacturing Engineering (QCF)

	<p>Apprenticeships: This qualification forms part of the Semta apprenticeship frameworks.</p>
<p>Who supports this qualification?</p>	<p>The qualification is supported by the Engineering Council, and recognised by the Institute of Marine Engineering, Science & Technology (IMarEST) for EngTech status.</p>
