

EAL Purpose Statement:

Qualification Title:	600/6724/X EAL Level 2 Diploma In Electrical Installation (QCF)
Qualification Overview:	<p>This qualification allows the learner to acquire knowledge and craft skills of electrical installation. It does not require occupational evidence from the workplace, so is suitable for learners who currently do not work within the electrical industry, but may wish to do so. It will give the learner an opportunity to practice and be assessed in a secure environment on the installation of wiring systems together with the relevant theory of electrical installation. Successful learners will:</p> <ul style="list-style-type: none"> • have the opportunity of utilising the IET On Site Guide • acquire the knowledge of electrical science and principles • improve their employability by developing or enhancing their skills. <p>What does this qualification cover?</p> <ul style="list-style-type: none"> • This qualification is made up of five units which cover health and safety, electrical installation theory and technology, electrical installation methods, procedures and requirements; electrical installation craft skills and electrical science and principles. • It is accredited by Ofqual at QCF level two. <p>Who could take this qualification? OR who is this qualification designed for?</p> <ul style="list-style-type: none"> • Learners not currently working in the electrical industry, or who may wish to do so • Learners wishing to progress to the industry recognised qualification. <p>It is suitable for learners aged:</p> <ul style="list-style-type: none"> • 16-18 • 19+
What could this qualification lead to?	<p>Typical job roles include:</p> <p>Possible progression into the electrotechnical sector e.g. electrician.</p> <p>This qualification relates to the following EAL qualifications:</p> <ul style="list-style-type: none"> • EAL Level 3 Award in Requirements for Electrical Installation BS7671: June 2008 (2011) (QCF) • EAL Level 3 NVQ Diploma in Installing Electrotechnical Systems and Equipment • EAL qualifications in environmental technology systems • EAL Level 3 NVQ Diploma in Electrotechnical Services • EAL Level 3 Award in the In-Service Inspection and Testing Of Electrical Equipment (PAT) (QCF) • EAL Level 3 Diploma in Electrical Systems and Equipment for Engineering Construction Plant <p>Apprenticeships:</p> <p>This qualification forms part of the Semta apprenticeship frameworks.</p>
Who supports this qualification?	<p>The qualification is supported by NFEC (National Forum of Engineering Centres) and also supported by Certsure LLP trading as NICEIC & ELECSA.</p>
