Dear John

**EAL SVQ Engineering Technical Support SCQF Level 6**  
**EAL SVQ Aeronautical Engineering at SCQF Level 6**  
**EAL SVQ Fabrication and Welding Engineering at SCQF Level 6**  
**EAL SVQ Marine Engineering at SCQF Level 6**

This letter is confirmation that Semta supports the application made by EAL to the qualification regulator to seek accreditation for the SCQF SVQs listed above. Our support is based on the assurances proved by EAL that the SVQs will be assessed in accordance with the approved SVQ Assessment Strategies, SVQ qualification structures and includes the approved credits assigned to the units and qualifications.

We hope your application is approved and look forward to seeing copies of your final submission documents at a later date.

Yours sincerely

Paul Turnbull
